OH NO !!

(Obviously from the UK)

Within hours of the news that Tesco's 'all beef' hamburgers contained 30% horse meat these quips hit the internet.....

"I'm so hungry, I could eat a horse....."

Anyone want a burger from Tesco? Yea or neigh?

Not entirely sure how Tesco are going to get over this hurdle.

Waitress in Tesco asked if I wanted anything on my Burger. So I had a £5 each way!

Had some burgers from Tesco for my tea last night.... I still have a bit between my teeth.

A woman has been taken into hospital after eating horse meat burgers from Tesco - Her condition is said to be stable.

Tesco are now testing all their vegetarian burgers for traces of unicorn

"I've just checked the Tesco burgers in my freezer...AND THEY'RE OFF"

Tesco now forced to deny presence of zebra in burgers, as shoppers confuse barcodes for serving suggestions.

Said to the missus these Tesco burgers have given me terrible trots.

To beef or not to beef. That is equestrian.
