

# You Yangs Photoshoot - Sunday 18 August at 10:00am

## Wadawurrung Country

**Contacts:** Karen Malbon 0401 520 122 and Matt Peart 0417 017 874

**Getting there:** You Yangs Regional Park is 55km southwest of the Melbourne CBD and 22km north of Geelong. Access to the Park from the Princes Freeway is clearly signposted via Lara. Park entrance is on Branch Rd. **Meet at the Turntable car park for a 10:00am start.**

**Facilities:** There are flushing toilets at the Visitor Centre car park. There are drop toilets at the Turntable car park. There is a general store at Lara if you want to buy food before or after.

**What to bring:** Appropriate clothing for the weather and good footwear. Water and snacks. Photography gear for a range of photo opportunities and depending on your personal interest. Wide angle, Zoom, macro. A tripod is not essential but worth putting in the car.

**Photo opportunities:** Landscapes, intimate landscapes, birds, flora, macro, natural light portraits and more. For sweeping views of the surrounding volcanic plains and a birds eye view of the Bunjil Geoglyph, climb the 450 steps to Flinders Peak. This is a strenuous activity, take your time. For those who want a gentler pace, wander along the Branding Yard trail near the car park. I highly recommend Big Rock but unfortunately access to the Big rock car park is not available at present. You can do a 3km (1 hour return) walk from the park office/visitor centre car park to Big Rock.
